

Dear Friends and Neighbours,

As the holiday season approaches, many of us are preparing to spend time with loved ones sharing the joy and comfort that this special time of year brings. Yet, for some families in our community, the holidays bring added stress and hardship. One such family is the Johnsons who are facing an unimaginable challenge this Christmas.

Just a few months ago their youngest child, 2-year-old Emma was diagnosed with leukemia. Her mother Sarah, has quit her job to be with Emma full-time at BC Children’s Hospital in Vancouver, leaving her husband Mark to juggle work and caring for their two school-aged children, all while trying to remain strong for their family.

With their lives turned upside down the Johnsons are relying on the Kamloops Food Bank for essential support. Mark works hard to provide for his family, but the rising costs of living and the added medical expenses have stretched their budget to its limits. The nutritious food provided by the food bank ensures that Mark and his children have enough to eat while Sarah cares for Emma far from home.

A donation to the Kamloops Food Bank will make a world of difference for families facing life’s toughest battles.

This Christmas, we are asking for your support to help families like the Johnsons. A donation to the Kamloops Food Bank will make a world of difference for families facing life’s toughest battles. Your generosity will ensure that children don’t go to bed hungry and that families dealing with medical crises can focus on what matters most – *being there for each other.*

Every donation, no matter the size, brings hope to families like the Johnsons. Your kindness can help make this Christmas a little brighter for those who need it most.

On behalf of the Kamloops Food Bank and the many families we serve, we thank you for your continued support and generosity. Together, we can make a meaningful impact this holiday season and help ensure that no family goes without the food and care they need.

Wishing you a peaceful and joyous holiday season,

Warm regards.

Bernadette
